Manufactured by Photo Control Corporation

Check out our Web site at www.LSLindahl.com. Our web site is packed with useful information. From our Tech Notes section to our Product Listing and Descriptions, everything you need is at your fingertips. You may select one of our authorized dealers from our Dealer Listing, or you can check out our "Bargain Bin" to see our Demos, Closeouts, & Fully Functional Used Equipment at reduced prices. Our "Tech Notes" section will allow you to read articles from our highly-trained Technical Service Department and get help on common questions about photographic special effects. The Product Listings and Descriptions can help you choose your system as well as show you pictures of our products.

Right from our site you can send us an E-mail to request information. We update our site regularly to keep our customers up to date. View our press releases to find out what we are doing, and then visit our Trade Show Schedule to see where we are going to be next.
